ACKNOWLEDGEMENT

For us, this Mini Project has been a rich and rewarding experience. We owe a debt of credit to all those who have given us guidance and support. We would like to express our gratitude and respect to all those who have directly or indirectly, aided us in our work and research.

We extend our sincerest gratitude to **Prof. Vikrant Chole**, Assistant Professor, Department of CSE, GHRIET, Nagpur, under whose guidance. We carried out this research. He not only encouraged us through this venture with his timely and valuable guidance but also took a great pain in going through this work. Without his advice and supervision my work would never have reached its conclusion.

We are thankful to **Dr. Sonali Ridhorkar**, HOD Computer Science and Engineering Department. For enlightening us with their precious guidance and providing us with ample support and valuable time.

We Expressed our gratitude towards **Dr. Vivek Kapur**, Director, GHRIET, Nagpur for providing excellent facilities and access to required technology and research material for our study.

We also thank our family, teachers, colleagues and friends for all their support.

Ms. Shreya Jethekar

Mr. Karan Kurani

Mr. Chaitanya Thakur

Ms. Ishika Chakraborty
